ALLIED HEALTH STATUS REPORT FORM – Revised February 2018 Department Operations Center Form 9 (DEOC-9)

COMPLETING the DEOC 9: ALLIED HEALTH STATUS SHORT FORM

PURPOSE: The DEOC-9 Form is used for reporting information on significant incidents. It is not intended for every incident, as most incidents are short in duration and do not require scarce resources, significant mutual aid, or additional support and attention. The DEOC-9 form contains basic information elements needed to support situational awareness and decision-making at all levels.

Accurate and timely completion of the DEOC-9 assists in maintaining good situational awareness of the incident, assessment of resources, resource allocation, and timely request for regional mutual aid. Please keep this document in the Communications Section of the Emergency Operations Manual for training purposes.
